Server Maintenance - October 11th

2022-10-11 - Devin S - Announcements

We will be performing maintenance on our Denver server location, causing the location to be temporarily unavailable. This maintenance will be performed from 4:30pm to 10:30pm MST. During this time, we recommend that our users use an alternative server location until the maintenance is completed.

If you have any questions or concerns, feel free to reach out to us by submitting a [support ticket](#) or by taking advantage of our [24/7 Live Chat support](#). We apologize for any inconveniences this may have caused and we appreciate your patience!
